Pacific Highway Investigation work from Friday 12 October

Roads and Maritime Services will carry out important investigation work on the Pacific Highway between Lindfield and Roseville. The work will include:

- checking ground conditions
- locating utilities
- drilling holes
- saw cutting and reinstating the road surface.

Our investigation work will help inform our further work to modify existing in-road sensors and identify where we need additional sensors on the Pacific Highway between Treatts Road, Lindfield and Wyvern Avenue, Roseville.
Our work schedule

We will be on site for 30 shifts between Friday 12 October and Wednesday 21 November, weather permitting. Our night work hours will be between 9pm and 5am from Sunday to Friday. Our day work hours will be between 7am and 6pm from Monday to Friday and 8am and 1pm on Saturday.

How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier activities by 11pm.

Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers’ directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact our delivery partner, LT Joint Venture, on 1800 735 563 or info@ltjv.com.au.
