Have your say – Installation of a permanent electronic message sign on Barrenjoey Road, Mona Vale

The NSW Government is taking action to deliver transport improvements for the Northern Beaches, including an integrated program of service and infrastructure improvements to deliver a new B-Line service.

We are seeking your feedback by Thursday 24 March on a proposal to install a permanent electronic message sign at the intersection of Barrenjoey Road and Seabeach Avenue, Mona Vale. The proposal aims to improve traffic flow on the B-Line corridor by providing southbound motorists with information on planned and unplanned events so they can make better, more informed decisions about their journey.

We have included a map and illustration to help explain the proposal.

Investigation work is required to help us finalise a design for the proposal. This work will include locating utilities and drilling holes then reinstating the nature strip.

This work will take two shifts to complete between Wednesday 16 March and Thursday 24 March, excluding weekends, weather permitting. Our working hours will be from 7am to 5 pm.

How will the work affect you?

There will be noise associated with this work, but we will make every effort to minimise its impact.

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to the speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

How can you give feedback?

We encourage you to send us your comments by Thursday 24 March 2016 to:

Transport for NSW, Locked Bag 6501, St Leonards NSW 2065 or made online by visiting at b-line.transport.nsw.gov.au and clicking on the “get involved” tab.
Contact

If you have any questions about the new B-Line Service, please call 1800 048 751 or email projects@transport.nsw.gov.au. A Project Update providing more information about the program of works and the B-Line service has recently been published on the project website at b-line.transport.nsw.gov.au. If you do not have internet access, please contact us for a copy.
