Have your say – Intersection improvements on Canal Road/Ricketty Street and Burrows Road, St Peters

The NSW Government is funding this $150,000 proposal to improve pedestrian safety at the intersection with Burrows Road.

Roads and Maritime Services is seeking your feedback by **Tuesday 29 March** on a proposal to build a new pedestrian crossing at the traffic lights, install a new mast arm for a traffic light and update signage and line marking at the intersection.

The work will include:

- Building a new pedestrian crossing on Burrows Road (southern side)
- Building two new pedestrian ramps on either side of the new crossing
- Installing a new mast arm with a traffic light on the south east corner of the intersection
- Removing the current traffic light post on the south east corner
- Removing the ‘Left Turn on Red Permitted After Stopping’ facility for westbound motorists on Ricketty Street turning left into Burrows Road
- Installing directional signs and line marking.

We have included a map to help explain the proposal.

**How can you give feedback?**

We encourage you to send us your comments by **Tuesday 29 March** to:

LT Joint Venture  
PO Box 380  
Rockdale NSW 2216  
Or info@ltjv.com.au.

We will carefully consider your feedback and continue to keep you updated as the proposal progresses.
