Night work continuing on Pittwater Road, Brookvale from Sunday 23 September

The NSW Government is investing $1.5 billion on maintaining and improving our state roads.

Roads and Maritime Services is working to improve the reliability of traffic lights and network traffic flow in this area by replacing underground cabling, installing new in-road traffic sensors, concreting and asphalting.

We were scheduled to complete the work in August 2018 but had to postpone a number of shifts due to scheduling changes.
Our work schedule

We will be back on site to complete the work for **four night shifts**, between **Sunday 23 September** and **Sunday 7 October**, weather permitting, excluding public holidays. Our shift hours will be between **8pm** and **5am**.

How will the work affect you?

Our work may be noisy at times but we will continue to do everything we can to minimise its impact, including completing the noisier tasks by **midnight**.

Traffic changes

There will again be temporary traffic changes during our work hours to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers’ directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact our delivery partner, LT Joint Venture, on 1800 735 563 or info@ltjv.com.au. For more information on Roads and Maritime projects, visit rms.nsw.gov.au.

Thank you for your patience during this important work.
