Night work on Lyons Road, Five Dock from Wednesday 31 October

The NSW Government is investing in this essential work under its $1.5 billion maintenance program.

Roads and Maritime Services will be installing new left and right red turn arrows at the intersection of Lyons Road, Myalora Street and Ingham Avenue.

Our work aims to improve the safety of pedestrians and road users.
How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier tasks by midnight.

To minimise disruption to residents, businesses and road users, we will not work more than two nights in any week and no more than six shifts a month. We will complete the work in two blocks, with no work being carried out between Friday 21 December and Sunday 13 January.

Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers’ directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Thank you for your patience during this important work.

Our work schedule

We will be on site for 12 night shifts between Wednesday 31 October and Friday 25 January, weather permitting. Our work hours will be between 9pm and 5am from Sunday to Friday.

Contact

If you have any questions, please contact our delivery partner, LT Joint Venture, on 1800 735 563 or info@ltjv.com.au. For more information on Roads and Maritime projects, visit rms.nsw.gov.au.
