Night work continuing on Cleveland Street, Surry Hills from Tuesday 30 October

The NSW Government is investing $1.5 billion on maintaining and improving our state roads.

Roads and Maritime Services will be continuing work to install a new pedestrian crossing across Cleveland Street between Young Street and Marlborough Street.

Our work aims to prevent or minimise the occurrence of crashes involving pedestrians and road users at this busy intersection.

We were scheduled to complete the work in October 2018 but had to postpone a number of shifts due to weather conditions and scheduling changes.
Our work schedule

We will be on site for 3 night shifts between Tuesday 30 October and Tuesday 13 November, weather permitting. Our work hours will be between 10pm and 5am from Sunday to Friday.

To minimise disruption to residents, businesses and road users, we will not work more than two nights in any week.

How will the work affect you?

Our work may be noisy at times but we will continue to do everything we can to minimise its impact, including completing the noisier tasks by midnight.

Traffic changes

There will again be temporary traffic changes during our work hours to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers’ directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact our delivery partner, LT Joint Venture, on 1800 735 563 or info@ltjv.com.au. For more information on Roads and Maritime projects, visit rms.nsw.gov.au.

Thank you for your patience during this important work.
