Project update for pedestrian safety improvements on Murdoch Street, Cremorne

The NSW Government is funding this proposal at the intersection with Rangers Road, as part of its Walking Communities Program which aims to improve pedestrian safety.

Roads and Maritime Services sought feedback from the community and stakeholders on the proposal in December 2015.

We received feedback from 61 people and organisations. There were 44 people who supported the proposal, seven who did not and 10 people who suggested that further changes were needed at the intersection to improve safety. Key points raised included installing a right turn green arrow for westbound traffic on Rangers Road, signage to indicate left hand westbound lane on Rangers Road is a left turn only lane, separate traffic light phases for north and south approaches of Murdoch Street and congestion.

We have prepared a Community Consultation Report, which summarises the feedback and our responses. A copy of the report is available by contacting our delivery partner.

We thank everyone who took the time to consider the proposal and provide comments. After reviewing the feedback, we have decided to proceed with the project without change.

What happens next?

The work will take three shifts to complete, between Friday 20 May and Friday 17 June, excluding weekends, weather permitting. Our working hours will be from 7am to 5pm and from 9pm to 5am.

We have included a map to help explain the project. The work will include:

- Building a new pedestrian crossing on the southern approach of Murdoch Street
- Installing two kerb ramps on either end of the new crossing
- Installing a new traffic light on the south east corner to improve visibility for southbound road users
- Replacing the traffic light post on the north east corner with a taller post
- Repositioning the traffic light on the south west corner to the new stop line
- Installing new line marking.

How will the work affect you?

There will be some noise associated with this work. We will make every effort to minimise its impact, including carrying out the noisiest work during the day and before 11pm.
Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact our delivery partner LT Joint Venture on 1800 735 563 or email info@ltjv.com.au
