Investigation work on Pacific Highway from Tuesday 18 September

Roads and Maritime Services will be carrying out investigation work to help modify existing in-road sensors and adding additional sensors on the Pacific Highway between Merriwa Street, Gordon and Fiddens Wharf Road, Killara.

We will be surveying and excavating to establish ground surface conditions and locate underground utilities. We have included a map to show the location of work.

Our work schedule

We will be on site for 30 shifts between Tuesday 18 September and Friday 26 October, excluding public holidays, weather permitting. Our night work hours will be between 9pm and 5am from Sunday to Friday. Our day work hours will be between 7am and 6pm from Monday to Friday and 8am and 1pm on Saturday.

We will continue to update you as works progress.

How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier activities by 11pm.

Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers’ directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact our delivery partner, LT Joint Venture, on 1800 735 563 or info@ltjv.com.au. For more information on our projects, visit rms.nsw.gov.au.

Thank you for your patience during this important work.
If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on 1800 735 563.
